

The advertisement features a top section with a wooden background showing three Philips LEDtube lamps. Two are upright, labeled 'PHILIPS LEDtube' and 'Ultra output', while one is lying on its side. A small circular 'LED' logo is in the top right. Below this is a white box with the Philips logo, 'LEDlamps', and 'LEDtube Ultra Output'. The middle section has a large blue headline. The bottom section contains descriptive text and a small image of two LEDtube lamps on a white background.

LEDtube Ultra Output

The right LEDtube for **demanding applications**

Whatever your lighting application, the Philips MASTER LEDtube portfolio has the right LEDtube for you.

With an ultra output of 2300 lm to 3700 lm, our Ultra Output LEDtube range combines outstanding efficiency of 148 lm/W with the high quality light required by the most demanding applications. A simple switch that comes in a choice of two lengths and three color temperatures, with rotating end-caps.

The right choice for offices, schools, supermarkets, healthcare and industrial applications.
