## Philips Digital Xenon Lamp **XDC 6501B** for Barco DP2K-32B and DP4K-32B projectors

Philips has released a new high performance cinema xenon lamp specifically designed for the Barco DP2K-32B and DP4K-32B digital cinema projectors. This new lamp has been tested and approved by Barco and has the longest 100% warranty in the industry and an extremely wide operating power range. The XDC 6501B has exceptional arc stability providing low flicker levels throughout life.

But behind every Philips Cinema Xenon lamp there is much more than just high quality. Our global network of cinema lighting specialists offers you personal support whenever you need it. From Total Cost of Ownership checks and online comparisons to training and installation advice.

# Product data
