SM4 SP (Suspended 4x wire)
Brackets are pre-mounted when supplied with luminaire.

SMT SP (Suspended twin, triangle)

Brackets and triangle wires are pre-mounted when supplied with luminaire.

SMTT SP (Suspended twin, triangle, T-bar)

The luminaire shall be installed by a qualified electrician and wired in accordance with the latest IEE electrical regulations or the national requirements.

Please do not remove the protect film before installing to avoid scraping or dirtying the optical part.

Indoor use only.

During installation or maintaining the luminaire please use gloves to avoid spots on the cover.

To remove dirt and spots use the following:

- Dust: use micro fiber cloths only
- Fingerprints, etc.: use a cleaner for synthetic materials with antistatic properties.
