- Control it your way

### Full control from smart device with Hue bridge

- Requires a Philips Hue bridge

### Specially designed for your outdoors

- Easy to install and extend
- High-quality aluminum and superior synthetics
- Power supply and plug included

# Highlights

## Paint your outdoors

With Philips Hue outdoor lighting there's no limit to the magic you can add. Play with 16 million colors and all shades of white light to create the effect you want. Highlight objects, trees or pathways to make your space stand out. Use the Hue app to save your favorite light settings and recall them whenever you want with the tap of a finger.

## Special light for special occasions

Family or friends coming over? Set your outdoor lights to match the occasion. Whether it's a cozy dinner on the balcony, a BBQ on the patio or party in the backyard, you can add a touch of magic to every get-together with Philips Hue. Create colorful scenes or slow-moving dynamic effects to enjoy these special moments to the fullest.

## Weatherproof light fixture

The smart light fixture is designed especially for outdoor use and has undergone rigorous tests to ensure that it can withstand all weather. It is UL Wet Location rated, meaning that it will hold up against even the worst rainstorms.

## Powerful outdoor spot lights

Put even your largest garden features, such as a tree, statue, or fountain, in the spotlight with outdoor light fixtures that offer a wide expanse of colorful smart light.

## Control it your way

Connect your Philips Hue lights with the Bridge and start discovering the endless possibilities. Control your lights from your smartphone or tablet via the Philips Hue app, or add the indoor switches to your system to change your lights. Set timers, notifications, alarms, and more for the full Philips Hue experience. Philips Hue even works with Amazon Alexa, Apple Homekit and the Google Assistant to allow you to control your lights with your voice.

## Requires a Philips Hue bridge

Connect your Philips Hue lights with the Bridge to control your lights from your smart phone or tablet via the Philips Hue app. Or control your Philips Hue lights with the Philips Hue dimmer indoor switch for on/off and dimming functionalities.

## Easy to install and extend

Brighten up dark paths, create highlights in your landscaping, or create a unique ambiance on the patio. You can do it yourself, using Hue spots or bollards. The products are based on low voltage, safe to use and easy to install. No more complexity to get lighting outdoors: go create and extend as you like.

**High-quality**

The products are made specifically for outdoor use. We are using the highest

quality materials to ensure the best performance in the outdoor conditions as well as smart use of materials to optimize radio frequency.

**Power supply and plug included**

The base unit packs come with all elements you need to get started, this includes light points, power supply, extension cables and connectors. So all you have to do is unpack, install where you like and turn them on.
