Highlights

Water-resistant for bathrooms

The Philips Hue Adore series of smart bathroom lights have been rigorously tested to ensure that they are water resistant, making them ideal for humid environments. Each Adore bathroom light meets IP44 standards.

Wireless control

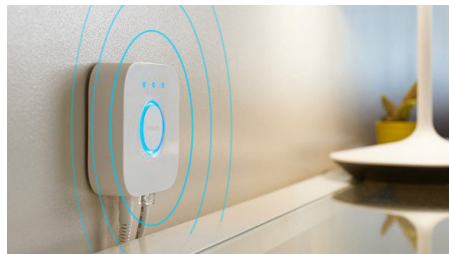

With the battery-powered dimmer switch, you can control up to 10 smart lights simultaneously. The switch – which can be removed from its wall mount and used as a remote control – allows you to dim and brighten your lights or cycle through four preset light recipes

Enjoy the right smart lighting

Maximise the effect of your daily routines with tunable white light. Set the light to match different needs and moods in the bathroom with the press of a button. Get energised in the morning with cool daylight, use the bright light for tasks requiring precision, use the reading light to enjoy a book in the bath or enjoy some me-time in the tub under the warm light.

Full control with the Hue bridge

Connect your Philips Hue lights with the bridge to unlock the endless possibilities of the system.
