

PHILIPS

Starter kit: 2x E27 / E8 smart bulbs (800 lumens)

Hue White

Up to 800 lumens*

Soft white light

Smart control

Hue Bridge included

8718699630317

Easy smart lighting

Enhance your lighting experience with a Philips Hue White E27 starter kit. Connect your soft white bulbs to the included Hue Bridge to take advantage of features such as wireless dimming, routines and timers.

Limitless possibilities

- Away-from-home smart light control
- Come home to a house filled with light
- Make it look like you're home with smart lights
- Smart home automation hub: Hue Bridge
- Control lights with your voice

Easy smart lighting

- Control lights with your voice*

Highlights

Away-from-home control

Connect your smart lights to the Hue Bridge and download the Hue app to ensure that your home is well lit no matter where you are. Set light routines in the app to turn your lights on at a certain time, mimicking your presence to give you peace of mind.

Come home with light

Set your Philips Hue app to recognize when you're nearing home. Before you even step out of your car or walk up the path, your selected smart lights turn on automatically.

Make it look like you're home

Use the Philips Hue app to schedule light routines whenever you're away. Your smart lights will turn on at the times you've selected • and sometimes a few minutes before or after • to truly mimic your presence in the house.

The Hue Bridge

The Hue Bridge is an essential component to a personal Philips Hue smart lighting system. It is the brains of the operation, communicating with both your smart light bulbs and the Hue app to ensure that everything works together. It also enables smart home automation features like scheduling routines and timers.

Control with your voice

When connected to the Hue Bridge, you can pair your lights with Alexa, Apple HomeKit, and the Google Assistant and control your lights using just your voice. Simple voice commands let you turn your lights on and off, dim or brighten your lights, and even set a light scene.

Control lights with your voice*

Philips Hue works with Amazon Alexa and the Google Assistant when paired with a compatible Google Nest or Amazon Echo device. Simple voice commands allow you to control multiple lights in a room or just a single lamp.

Specifications

Bulb dimensions

- Dimensions (WxHxD): 60x110

Design and finishing

- Color: White

Environmental

- Operational humidity: 5% <H<95% (non condensing)
- Operational temperature: -20°C to 45°C

Extra feature/accessory incl.

- Dimmable with Hue app and switch: Yes

Guarantee

- 2 years: Yes

Light characteristics

- Color rendering index (CRI): 80

Packaging information

- EAN: 8718699630317

Service

- Warranty: 2 year(s)

Technical specifications

- Weight: 73
- Bulb technology: LED
- Fitting/cap: E27
- Lumen output at 2700K: 806 lm

The bridge

- Diameter: 88 mm
- Frequency band: 2400-2483, 5 MHz
- Height: 26 mm
- Max. number of accessories: 12
- Max. number of bulbs: 50
- Mounting options: Desktop, Wall
- Power adapter: 100-240 V AC / 50-60Hz
- Power consumption: 250mA max

The bulb

- Color temperature: 2700K
- Diameter: 61 mm
- Form factor: A60
- Height: 110 mm
- Input voltage: 220V-240V
- Lifetime: 25,000 h
- Light output: Soft white light
- Lumen output: 806 lm
- Max. operation power: 9 W
- Max. standby power: 0.5 W
- Number of switching cycles: 50,000
- Power factor: >0.5
- Rated lifetime: 25,000 h
- Software upgradable: Yes
- Start up: Instant 100% light output
- Wattage: 9 W
- Wattage equivalent: 60 W
- Communication protocol: Bluetooth and Zigbee
- Deep dimmable: Yes
- Software upgradable: When connected to Bluetooth App or Hue Bridge

The switch

- IP rating: IP 20

What's in the box

- Bridge: 1
- Ethernet network cable: 1
