- Control lights with your voice*
- Create a personalized experience with colorful smart light
- Set the right mood with warm to cool white light
- Unlock the full suite of smart lighting features with the Bridge

Highlights

Amp your entertainment

Immerse yourself in your movie, game, or music with the magic of light. With millions of colors from which to choose and countless lighting options, you can turn any living room into a private cinema • all you need to bring is the popcorn!

Bright light output

With light coverage over its total length and a high output of 1600 lumen, Philips Hue strip lights provide enough light to be used both as a decorative and functional light source.

Shape, cut, or extend your Lightstrip

Completely flexible, the indoor strip light lets you shape and bend it to fit your space. Attach a Lightstrip extension for larger surfaces or cut the strip to size to fit into a smaller space. The leftover piece won't go to waste: use the included connector clip to attach the strip you've cut off to another Lightstrip base unit!

Extendible up to 33 feet

Extend your Philips Hue Lightstrip Plus up to 33 feet by adding 40 inch extensions to cover larger surfaces and enable wider applications. From bright cove lighting to ambient navigation light in your hallway or stairs, anything is possible. Philips Hue Lightstrip Plus gives you full color consistency from the first to the last extension.

Extendible up to 10 meters

Extend your Philips Hue Lightstrip Plus up to 10 meters by adding 1 meter extensions* to cover larger surfaces and enable wider applications. From bright cove lighting to ambient navigation light in your hallway or stairs, anything is possible. Philips Hue lightstrip plus gives you full color consistency from the first to the last extension.*Can only be extended with the Bluetooth-compatible version.

Control up to 10 lights with the Bluetooth app

With the Hue Bluetooth app, you can control your Hue smart lights in a single room of your home. Add up to 10 smart lights and control them all with just the touch of a button on your mobile device.

Control lights with your voice*

Philips Hue works with Amazon Alexa and the Google Assistant when paired with a compatible Google Nest or Amazon Echo device. Simple voice commands allow you to control multiple lights in a room or just a single lamp.

Create a personalized experience with colorful smart light

Transform your home with over 16 million colors, instantly creating the right atmosphere for any event. With the touch of a button, you can set a festive mood for a party, turn your living room into a movie theater, enhance your home decor with color accents, and much more.
