# Highlights

## Perfect to relax and socialise

The living room is the heart of any home – a place where families gather to relax and guests socialise. Lighting for your living- and bedroom has to be flexible and easy to adjust to its different uses throughout the day. Careful placement of different light

sources and playing with light layering helps create the feeling of space and to give the room a warm and welcoming feel.

## Compact design

Compact size allows luminaire to be placed in small spaces.

## Uniform light distribution

Throw light across your rooms in an even and uniform manner.

## No harmful UV radiation

The product is designed to eliminate any potentially harmful UV radiation.
