Experience warm white LED light

Philips LED light bulbs provide a beautiful, warm white light, a long lifetime, and immediate, significant energy savings. With its modern and elegant design, this dimmable bulb is the perfect replacement for your frosted traditional bulbs.

High quality light

- Amber light

Designed to be seen, looks good on and off

- Vintage style LED

Highlights

2000K

This bulb has a color temperature of 2000K, providing you with an extra warm and intimate atmosphere. Ideal for home lighting design.

Vintage (2000K & 2200K)

Imagine the vintage look of traditional lighting with the benefits of LED. With Philips Vintage LED filament bulbs, you can have the classic look you love, with the energy-efficiency you need. Gives the traditional color and amber glow of

old-fashioned incandescent lighting. The clear amber tinted glass bulb, brass finish base, and retro styling of the LED filament add a vintage flair to the decorative lighting in your home. The intricate swirling filament offers a cozy and warm ambience.
