# Highlights

## Perfect to relax and socialise

The living room is the heart of any home – a place where families gather to relax and guests socialise. Lighting for your living- and bedroom has to be flexible and easy to adjust to its different uses throughout the day. Careful placement of different light sources and playing with light layering helps create the feeling of space and to give the room a warm and welcoming feel.

## Create a stylish atmosphere

This light is designed around the latest tastes, trends and lifestyles to blend effortlessly into your décor and define the localised ambience you have always desired.

## Ambience light mode

Create a cozy, intimate atmosphere with the ambience light mode.

## Color changing mood light

The light shifts between different color temperatures to suit your mood

## Cozy light effect

Create a warm, comforting environment to wind down and relax in.

## Premium aesthetic elegant chrome finish

The elegant chrome finish on this item adds a touch of timeless sophistication to any space.
