

## Phunware Announces Partnership with Cooper Lighting Solutions to Integrate MaaS with Trellix

**AUSTIN, TX, October 12, 2021** (ORIGINAL: BUSINESS WIRE) – [Phunware, Inc. \(NASDAQ: PHUN\)](#) (the “Company”), a fully-integrated [enterprise cloud platform](#) for mobile that provides products, solutions, data and services for brands worldwide, announced today that it has partnered with [Cooper Lighting Solutions](#), a business unit of the world’s leading lighting company [Signify](#), to integrate its [Multiscreen-as-a-Service](#) (“MaaS”) with [Trellix](#), a Smart Spaces Application for commercial buildings.

Headquartered in Peachtree City, Georgia, Cooper Lighting Solutions provides professional lighting, lighting controls and connected lighting for both indoor and outdoor use under numerous North American brand names such as Corelite, Halo, McGraw-Edison and Metalux. Trellix is an application designed to improve commercial building efficiency and occupant experience by more efficiently aggregating data provided by WaveLinx connected lighting systems and delivering actionable insights.

“Improving commercial building efficiency and occupant experience is a top priority of our customers. We can help solve these problems by providing proficient data from our lighting systems to leading mobile software providers like Phunware who in turn provide actionable insights,” said Eric Jerger, Vice President of Indoor Lighting and Connected Systems, Cooper Lighting Solutions. “Industry collaboration is a core tenet of our vision to solve our customer’s highest valued challenges by leveraging the extraordinary power of intelligent lighting. We look forward to advancing our customers’ experience together with Phunware.”

Phunware’s portfolio [Smart Solutions](#) on mobile provide access to all of the [features and capabilities](#) of MaaS, including contactless digital access, room-booking, occupancy management, directories, check-in instructions, screenings, feedback tools, news, notifications, and analytics as well as seamless access to third-party vendors.

“We are thrilled to integrate our platform with Trellix and offer one of the most advanced platforms available today that is designed to better manage any smart space,” said Randall Crowder, COO of Phunware. “MaaS is designed to better engage people on mobile, so the data provided by Trellix will help us ensure this engagement is meaningful, targeted and contextual.”

## **Safe Harbor Clause and Forward-Looking Statements**

This press release includes forward-looking statements. All statements other than statements of historical facts contained in this press release, including statements regarding our future results of operations and financial position, business strategy and plans, and our objectives for future operations, are forward-looking statements. The words “anticipate,” “believe,” “continue,” “could,” “estimate,” “expect,” “expose,” “intend,” “may,” “might,” “opportunity,” “plan,” “possible,” “potential,” “predict,” “project,” “should,” “will,” “would” and similar expressions that convey uncertainty of future events or outcomes are intended to identify forward-looking statements, but the absence of these words does not mean that a statement is not forward-looking.

The forward-looking statements contained in this press release are based on our current expectations and beliefs concerning future developments and their potential effects on us. Future developments affecting us may not be those that we have anticipated. These forward-looking statements involve a number of risks, uncertainties (some of which are beyond our control) and other assumptions that may cause actual results or performance to be materially different from those expressed or implied by these forward-looking statements. These risks and uncertainties include, but are not limited to, those factors described under the heading “Risk Factors” in our filings with the Securities and Exchange Commission (SEC), including our reports on Forms 10-K, 10-Q, 8-K and other filings that we make with the SEC from time to time. Should one or more of these risks or uncertainties materialize, or should any of our assumptions prove incorrect, actual results may vary in material respects from those projected in these forward-looking statements. We undertake no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as may be required under applicable securities laws. These risks and others described under “Risk Factors” in our SEC filings may not be exhaustive.

By their nature, forward-looking statements involve risks and uncertainties because they relate to events and depend on circumstances that may or may not occur in the future. We caution you that forward-looking statements are not guarantees of future performance and that our actual results of operations, financial condition and liquidity, and developments in the industry in which we operate may differ materially from those made in or suggested by the forward-looking statements contained in this press release. In addition, even if our results or operations, financial condition and liquidity, and developments in the industry in which we operate are consistent with the forward-looking statements contained in this press release, those results or developments may not be indicative of results or developments in subsequent periods.
