# Outdoor liability or outdoor reliability?

## Real professionals count on the new **Philips CoreLine Bulkhead**

### For every space a solution

This circular-shaped surface mounted luminaire is easy to apply in areas such as hallways and staircases. The modern unobtrusive design, in combination with the homogeneous light distribution it delivers, ensures that this luminaire blends into most building architectures. With the push-in connectors, installation is fast and straightforward.

### Key Features and Benefits

- ✓ Three lumen packages for diverse applications.
- ✓ Slim and unobtrusive design.
- ✓ Direct replacement for traditional wall and ceiling mounted luminaires.
- ✓ Options available with emergency, motion detection, daylight sensing, dimming and grouping functions.
- ✓ IP65 and IP64 ratings for the wall and ceiling models respectively

### Applications

- ✓ Stairwells & corridors
- ✓ Entranceways
- ✓ Balconies
- ✓ Carparks

## Simple installation

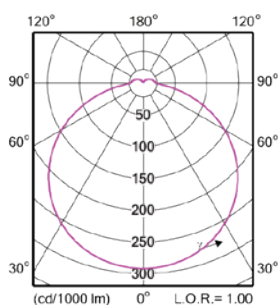

Installing the new CoreLine Bulkhead is as simple as ever. Simply mount the base directly to the surface, terminate using the push in loop in / loop out terminal block, then twist and lock the diffuser. It can be mounted direct to a ceiling or wall.

## Dimensions

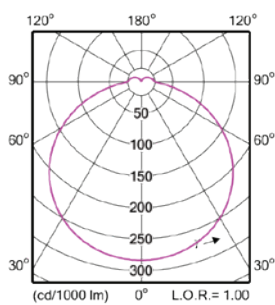

Dimensions shown above are nominal measurement. Slight variation in dimension may occur in production.

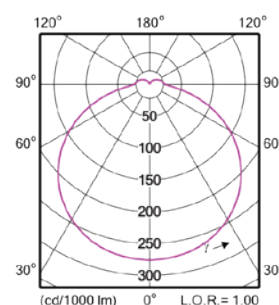

## Polar intensity

**WL130V LED12**

**WL130V LED20**

**WL131 LED34**
