Background:

Signify's vision to streamline and consolidate all the systems under the Interact Platform. In line with this goal, we will be phasing out the Perfect Play system and introducing a new, comprehensive sports recreational system, **Interact Field & Court** that will support all the feature parity items and reducing the need for maintaining redundant systems

Briefing:

All new customer projects for **Perfect Play** will be offered with **Interact Field & Court** after the End of Sale date, with a few exceptions that have been indicated below.

Exceptions to this End of Sale announcement:

Existing customers with Perfect Play installation can add new controllers to the existing site, while maintaining existing contract end date.
