Inspiration for your aesthetic needs

01 Informative

Chips are labeled on the back with their names, SKUs, and filament color class (standard or on demand)

02 Portable

The binder's dimensions fit in a bag 12.5in x 12.5in x 2.5in

03 Practical

Chips can be taken out of designated trays to take a closer look

04 Upgradeable

Replace phasing out chips with phasing in chips when new colors and textures are released
