

# HID-PrimaVision Xtreme for CPO - Xtreme drivers for the highest reliability

## PrimaVision Xtreme for CPO

Highly reliable electronic drivers for CPO lamps; designed to save energy by offering better light efficiency than magnetic drivers and to reduce maintenance costs thanks to 80,000-hour lifetime and integrated lightning protection

### Benefits

### Features

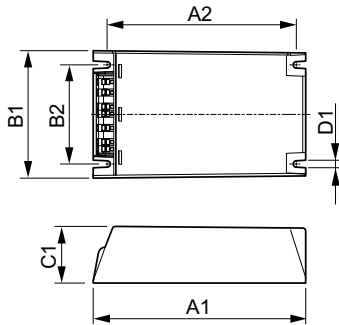

### Application

### Versions

# PrimaVision Xtreme for CPO

## Dimensional drawing

### Product

HID-PV Xt 90 CPO Q 208-277V

HID-PV Xt 60 CPO Q 208-277V

HID-PV Xt 140 CPO Q 208-277V

### Controls and Dimming

Regulating Level -

### Operating and Electrical

Input Frequency 50 to 60 Hz

Input Voltage 208-240-277 V

### General Information

Number Of Lamps 1 piece/unit

Lamp Type CPO

### Mechanical and Housing

Housing Q

## General Information

Order Code	Full Product Name	Number Of Products On MCB (16A Type B) (Nom)
913700685466	HID-PV Xt 60 CPO Q 208-277V	11
913700685566	HID-PV Xt 90 CPO Q 208-277V	5

Order Code	Full Product Name	Number Of Products On MCB (16A Type B) (Nom)
913700685666	HID-PV Xt 140 CPO Q 208-277V	5

## System characteristics

Order Code	Full Product Name	Lamp Power On CPO	Rated Ballast-Lamp Power
913700685466	HID-PV Xt 60 CPO Q 208-277V	60 W	60 W

## PrimaVision Xtreme for CPO

Order Code	Full Product Name	Lamp Power On CPO	Rated Ballast- Lamp Power
913700685566	HID-PV Xt 90 CPO Q 208-277V	90 W	90 W
913700685666	HID-PV Xt 140 CPO Q 208-277V	140 W	140 W
