

Product Description

Party Lustre P45

Colored incandescent lamp with P45 shape and superior ESC coating

Benefits

- Environment-friendly due to ESC coating and cadmium-free lamp
- Energy savings thanks to much higher color brilliance and lumen output than conventional colored lamps with higher wattages
- Weather-resistant bulbs are perfectly suitable for outdoor use

Features

- Choice of attractive colours
- Superior quality thanks to the Electro Static Coated (ESC) internal coating (instead of the conventional wet-flushed inside paint process)

Application

- All kinds of indoor and outdoor decorative lighting and special effects
- Outdoor: streets, facades, shopping centres, amusement parks, garden parties, carnivals, restaurants, bars, beaches, Christmas and other decorations
- Indoor: parties, special celebrations and decorative effects
- Multi-color versions and printing of special graphics available on project basis
