

CDM short arc reflector lamps – perfect colors, long life

CDM

The perfect color rendering and long life of these Ceramic Discharge Metal-halide lamps make them ideal for fiber optics lighting systems in shop displays, decorative lighting and swimming pool illumination. They can be mounted in color changing projectors.

Benefits

- Low cost of ownership
- Perfect colors

Features

- Long life
- High efficiency
- High color rendering index (Ra 90)

Application

- Shops
- Side lighting
- Architainment (e.g. swimming pools)

Warnings and Safety

- A lamp breaking is extremely unlikely to have any impact on your health. If a lamp breaks, ventilate the room for 30 minutes and remove the parts, preferably with gloves. Put them in a sealed plastic bag and take it to your local waste facilities for recycling. Do not use a vacuum cleaner.
