

The optimized TCO solution for general areas and recreational sports projects

ClearFlood Large

ClearFlood Large is designed to meet the requirements of a wide range of floodlighting applications from parking lots to tennis courts. One of the key advantages of ClearFlood Large, is that you can choose the exact lumen rating that you need for your specific application. Because ClearFlood incorporates extremely high-efficiency optics and state-of-the-art LEDs, it is a highly competitive solution that offers an outstanding lux/euro ratio and instant energy savings. What's more, thanks to the wide choice of optics, you will always benefit from maximum coverage for your application. ClearFlood BVP651 is also easy to install – simply plug it in and select the option that best suits your needs.

Benefits

- Optimized total cost of ownership
- Balances initial investment and operational costs
- Plug and play installation (IP66 connector)
- Easy to maintain
- Long lasting

ClearFlood Large
