

# GreenUp Lowbay G2 - A brighter solution for safer workspaces

## GreenUp Lowbay G2

Good lighting is essential in industrial workspaces and large indoor areas. The wrong choice of lights or a lighting not correctly planned can lead to eye strain, fatigue, and poor performance, compromising safety and productivity. The Philips Green Up Lowbay G2 luminaire is a simple LED solution which efficiently illuminates work areas, creating a brighter and better work, retail or sporting environment. With its crisp, white light and high color rendering index coupled with energy efficiency, high visibility and enhances safety 24/7. Equipped with motion detection function, this easy-to-install and low-maintenance lighting solution is suitable for a variety of applications.

#### **Benefits**

- · High energy saving up to 73% comparing to HPI-P system.
- Lighting for need, is able to achieve additional 10% energy saving through occupancy and motion-based dimming.
- · Comfort light quality
- · Easy installation and retrofitting

#### **Features**

- · High efficacy: 120 lumens per watt
- $\cdot$  Provides option of 1~10V motion detection sensor version on 8800lm
- · Consistent color rendering CRI>80 and R9>0
- Micro lens structure to realize the accurate distribution good glare control
- · Five choices of optional accessories make it suitable for various applications
- Lifetime of 50,000 hours @L70B50 with end-to-end Philips production quality assurance

## **Application**

- · Industrial workspaces
- · Open areas
- Warehouses
- · Retail stores
- Stadiums

## **Specifications**

| Mounting type         | Suspended               |
|-----------------------|-------------------------|
|                       | Pipe                    |
|                       | Surface                 |
| Operating Temperature | -20 to +45 °C           |
| range                 |                         |
| Light Source          | LED                     |
| Mains Voltage         | 220-240V / 50-60Hz      |
| Mains connection      | Flying cable            |
| Dimming               | PSU: non-dimmable       |
|                       | PSR: Dimmable via 1-10V |
| Control system input  | 1-10V                   |
| Lumen maintenance at  | L70                     |
| median useful life    |                         |
| 50.000h               |                         |
| Luminous flux         | 4klm - 9klm             |
| Power consumption     | 30W / 50W / 75W         |

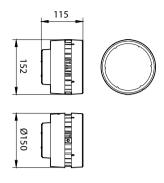

| Luminaire efficacy      | Up to 120lm/W |
|-------------------------|---------------|
