# **PHILIPS** Lighting

# The most costeffective outdoor spot light with better efficient and performance

# UniPoint

Our UniPoint is designed to produce both general and accent lighting while concealing the body of the device, allowing only the light to be exposed. This design can be used to change the surroundings by adding subtle or dramatic contrasting effects. It also includes exclusive features such as energy efficiency, chromatic quality and miniaturization. We guarantee extreme reliability and high level of resistance to adverse weather conditions and vandalism

#### Benefits

- $\cdot$  In stylish and very compact design
- Price point versus PHILPS standards
- Effortless and flexible installation
- $\cdot$  Customizing for you

#### Features

- High quality LED
- $\cdot$  Different choice of light source and beam angles
- Die-cast aluminum housing + dark grey sand coating to ensure anticorrosion
- Structural waterproof technology
- IP66
- IK06
- $\cdot$  Quality and reliability in line with all regulations

# UniPoint

# Application

- Buildings
- Statues
- Columns
- Pillars
- Eaves

## Versions

Unipoint BGP312 3LED

| Approval and Application            |                |  |
|-------------------------------------|----------------|--|
| Mech. impact protection code        | IK06           |  |
|                                     |                |  |
| Controls and Dimming                |                |  |
| Dimmable                            | No             |  |
|                                     |                |  |
| General Information                 |                |  |
| CE mark                             | CE mark        |  |
| Light source color                  | 830 warm white |  |
| Optical cover/lens type             | GB             |  |
| Driver included                     | No             |  |
| Light source replaceable            | No             |  |
|                                     |                |  |
| Initial Performance (IEC Compliant) |                |  |
| Init. Corr. Color Temperature       | 3000 K         |  |
| Init. Color Rendering Index         | >75            |  |
| Initial luminous flux               | 330 lm         |  |
|                                     |                |  |
| Light Technical                     |                |  |
| Standard tilt angle side entry      | -              |  |
| Standard tilt angle posttop         | -              |  |
|                                     |                |  |
| Mechanical and Housing              |                |  |
| Color                               | Dark gray      |  |
|                                     |                |  |

#### **General Information**

| Order Code   | Full Product Name       | Luminaire light beam spread | Optic type            |
|--------------|-------------------------|-----------------------------|-----------------------|
| 911401711562 | BGP312 3LED 3000K NB GG | 10°                         | Narrow beam angle 10° |
| 911401711582 | BGP312 3LED 3000K WB GG | 40°                         | Wide beam angle 42°   |
