

The affordable LED candle solution

Standard LED candles and lustres

Standard LED candles are compatible with existing fixtures with an E27 holder, and are designed for the retrofit replacement of incandescent, halogen and energy-saving candles. They deliver huge energy savings and minimise maintenance costs. The Standard LED candle is the perfect candle for your basic lighting needs. It provides the beautiful light and performance you expect from LED technology at an affordable price.

Benefits

- With a pure and elegant design, this candle is the perfect replacement for your matte conventional candles
- Up to 90% energy saving compared with traditional incandescent lamps
- Long lifetime with lower maintenance costs

Features

- Easy retrofit with existing E27 and E14 sockets
- Instant full light on: Philips LED light bulbs provide their full level of brightness when they are switched on
- Long lifetime and with very good light quality
- Available in 3,000 K and 6,500 K
- UV- and IR-free light

Application

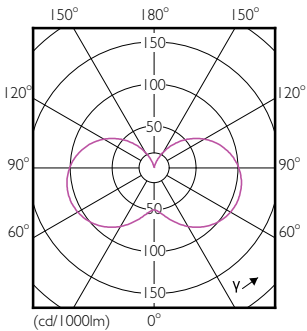

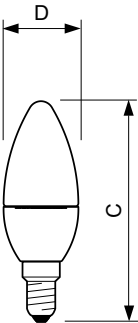

- Hotels, restaurants, bars, cafés
- Hotel rooms, lobbies, corridors, stairwells, washrooms
