

Caravelle - Sailing through the air

Caravelle Brackets

The Caravelle bracket's structure reminds of boat masts and reinforces the charm of seafronts in a very contemporary way, whichever Philips luminaire you choose to pair it with.

Benefits

- Compatible with our Accante range of conical poles
- Smaller version available: "Caravelle Low"

Features

- Available in single arm, double arm, pole-mounting and wall-mounting versions
- Length range: 1200 or 1400mm
- Luminaire fixing: side-entry
- Optional luminous cap at the top

Application

- Seafronts
- Commercial districts
- Roads and streets
