

# Better light, better result. A brighter solution for safer workspaces

## GreenUp Line Highbay

The GreenUp Line Highbay is a simple LED solution which efficiently illuminates work areas, creating a brighter and better warehouse, retail or manufacture environment. With its three optical design and energy efficiency, this easy-to-install and low-maintenance lighting solution is suitable for a variety of applications.

### Benefits

- High energy savings up to 56% comparing to TL-5 Highbay
- Fit for different applications with comfort lighting experience
- Direct replacement of T5 Highbay

### Features

- System efficacy 118 lumen per watt
- Three optical options with CRI80
- Linear design with flexible installation

### Application

- General Industry Application: Warehouse, Distribution center, Factory
- Indoor sport hall
- Other high ceiling indoor applications

### Warnings and Safety

- The product is IPX0 & as such is not protected against water ingress & as such we strongly recommend that the environment in which the luminaire is to be installed is suitably checked
- If the above advice is not taken and the luminaires are subject to water ingress, Philips / Signify cannot guarantee safe failure & product warranty will become void
