

Built in light sensor for added security from Dusk-to-Dawn

LED Dusk to Dawn

Philips Dusk to Dawn A19 lamp is equipped with a built in light sensor that turns the lights on automatically when the sun goes down and turns the light off when the sun rises.

Benefits

- Long life -- lowers maintenance costs by reducing re-lamp frequency
- Excellent color consistency with high 80+ color rendering (CRI)
- Equipped with a built in light sensor that turns your light bulbs on automatically when the sun goes down and turns the light off when the sun rises

Features

- Fit standard medium base (E26) fixtures with the look and feel of a classic bulb
- Instant on
- 25,000 hour rated average life
- Emits virtually no UV/IR light
- No mercury for a safe environment

Application

- Security Lighting
- Residential & Assisted Living
- Hotels/Motels
