

# GentleSpace gen2

## BY470Z MBA SI

GentleSpace 2 acc, Silver

With the introduction of the GentleSpace LED luminaire in 2011, Philips achieved a breakthrough in high-bay lighting, offering a huge reduction in power consumption, a long service life and an innovative design. Now, with GentleSpace gen2, Philips is setting a new standard in the market, with an improved total cost of ownership, even in extreme conditions. In addition, a high diversity of options are available to ensure an ideal solution for your application like optics, coatings and enabling the use of a central emergency grid (PSED).

### Product data

<b>General Information</b>			
Accessory colour	Silver	Full EOC	871829190047400
Product family code	BY470Z [GentleSpace 2 acc]	Order code	90047400
<b>Mechanical and Housing</b>		Material no. (12 NC)	910925255114
Material	Steel	SAP numerator – quantity per pack	1
<b>Product Data</b>		EAN/UPC – Product/Case	8718291900474
Order product name	BY470Z MBA SI	Numerator – packs per outer box	1
Full product name	BY470Z MBA SI	EAN/UPC – Case	8718291900474
