# **PHILIPS** Lighting

### **CoreLine recessed**

### RC134B LED37S/830 W60L60 IA1 OC

CoreLine recessed, 35.4 W, 600x600 mm, 3700 lm, 3000 K, Wireless, Interact Ready, UGR19

Whether for a new building or renovation of an existing space, customers want lighting solutions that provide quality of light and substantial energy and maintenance savings. The new CoreLine Recessed range of LED products can be used to replace functional luminaires in general lighting applications. The process of selecting, installing and maintaining is so easy – it's a simple switch.

### Warnings and Safety

- The product is IPXO & as such is not protected against water ingress & as such we strongly recommend that The environment in which The luminaire is to be installed is suitably checked
- If the above advice is not taken and the luminaires are subject to water ingress, Philips / Signify cannot guarantee safe failure & product warranty will become void

### **Product data**

| General Information      |                            | Flammability mark                  | For mounting on normally flammable |
|--------------------------|----------------------------|------------------------------------|------------------------------------|
| Light source replaceable | No                         |                                    | surfaces                           |
