## BGP243 LED60-4S/740 I DM50 D9 48/60A

UniStreet Medium, LED module 6000 lm, 740 neutral white, Safety class I, Distribution medium 50, Flat glass, Side-entry for diameter 48 to 60 mm

At relatively low initial cost, the highly efficient LED-based UniStreet luminaire offers significant cost savings compared with conventional street lighting, ensuring full payback within a short period of time. Available in a choice of lumen packages, UniStreet allows point-to-point replacement of outdated conventional light sources and luminaires. The compact, slim luminaire is made of quality recyclable materials. And being a LED solution, it requires little maintenance.

#### **Product data**

| General Information      |   |
|--------------------------|---|
| Lamp family code         | LED60 [LED module 6000 lm]                |
| Light source replaceable | Yes                                       |
| Number of gear units     | Unit                                      |
| Driver included          | Yes                                       |
| Remarks                  | * At extreme ambient temperatures the     |
|                          | luminaire might automatically dim down to |
