## Tango G3 - BVP38x

### BVP383 LED360/NW 320W 220-240V AWB ANZ

Tango G3 - BVP38x, 36000 lm, 320 W, Neutral white, Asymmetrical wide beam, Safety class I, Mounting bracket adjustable

The energy-saving Philips Tango G3 LED Floodlight is the ideal solution for a wide range of Area lighting applications. It incorporates the LED light source, optical system, heat sink and driver into one compact and robust housing that meets globally recognized safety standards. Its specially designed heat sink incorporates aesthetics and functionality to ensure excellent reliability. Powered by LED technology, this luminaire delivers superior performance and a longer lifetime, bringing area lighting to a whole new level.

#### **Product data**

| General Information         |           | Standard tilt angle side entry     | -                              |  |
|-----------------------------|-----------|------------------------------------|--------------------------------|--|
| Lamp family code            | -         | Correlated Color Temperature (Nom) | 4000 K                         |  |
| Light source replaceable    | Yes       | Luminous Efficacy (rated) (Nom)    | 110 lm/W                       |  |
| Driver included             | Yes       | Color rendering index (CRI)        | >70                            |  |
| Light source engine type    | LED       | Light source color                 | Neutral white                  |  |
| Lighting Technology         | LED       | Optical cover type                 | Polycarbonate micro lens optic |  |
| CE mark                     | CE mark   | Luminaire light beam spread        | -                              |  |
| Warranty period             | 3 years   | Optic type outdoor                 | Asymmetrical wide beam         |  |
| Flammability mark           | -         |                                    |                                |  |
| ENEC mark                   | -         | Operating and Electrical           | Operating and Electrical       |  |
| EU RoHS compliant           | No        | Input Voltage                      | 220-240 V                      |  |
|                             |           | Line Frequency                     | 50 or 60 Hz                    |  |
| Light Technical             |           | Inrush current                     | 138 A                          |  |
| Luminous Flux               | 36,000 lm | Inrush time                        | 0.44 ms                        |  |
| Standard tilt angle posttop | -         | Power Consumption                  | 320 W                          |  |

#### Tango G3 - BVP38x

| Power Factor (Fraction)                    | 0.95                        | Dimensions (Height x Width x Depth)    | 603 x 114 x 591 mm                           |
