

TownTune Central Post-Top DR

ZDP261 DR

TOWNTUNE ACC. - - - - - 5 J vandal-protected - Clear

As a luminaire family prepared for existing and scalable urban spaces, TownTune offers all the recent lighting innovations in terms of performance, quality of light and connectivity. The Philips TownTune family consists of three members: a central post top, an asymmetric spigot version and a version using an extending lyre post-top bracket. Each of these three can be customised with a choice of different shapes for housing and an optional decorative ring which comes in two colours. By having these options available, you can create your very own lighting signature and give a distinctive identity to districts and cities. The luminaire family is also equipped with the QR code-based Philips Service tag, which supports installation and maintenance work and enables you to create a digital library of lighting assets and spare parts. TownTune also makes use of the Philips Ledgine optimised lighting platform, ensuring that you always have the right amount and direction of light on your street. Furthermore, thanks to being SR (System-Ready), TownTune is also future-proof and is ready to be paired with both standalone and advanced control and lighting software applications, such as Interact City.

Product data

General Information	
CE mark	CE mark
Material	Polymethyl methacrylate
Angle	-
Accessory colour	Clear
Product Family Code	ZDP261 [TOWNTUNE ACC.]

Mechanical and Housing	
Overall height	61 mm
Overall diameter	533 mm
Dimensions (height x width x depth)	61 x NaN x NaN mm (2.4 x NaN x NaN in)

Approval and Application	
Ingress protection code	-

TownTune Central Post-Top DR

Mech. impact protection code	IK08 [5 J vandal-protected]
Product Data	
Full product code	871869949032400
Order product name	ZDP261 DR
EAN/UPC – product	8718699490324
Order code	49032400

Numerator – quantity per pack	1
Numerator – packs per outer box	1
Material no. (12NC)	912300024163
Net weight (piece)	0.252 kg
