

TownTune Central Post-Top

ADP260 GRC R10714

As a luminaire family prepared for existing and scalable urban spaces, TownTune offers all the recent lighting innovations in terms of performance, quality of light and connectivity. The Philips TownTune family consists of three members: a central post top, an asymmetric spigot version and a version using an extending lyre post-top bracket. Each of these three can be customised with a choice of different shapes for housing and an optional decorative ring which comes in two colours. By having these options available, you can create your very own lighting signature and give a distinctive identity to districts and cities. The luminaire family is also equipped with the QR code-based Philips Service tag, which supports installation and maintenance work and enables you to create a digital library of lighting assets and spare parts. TownTune also makes use of the Philips Ledgine optimised lighting platform, ensuring that you always have the right amount and direction of light on your street. Furthermore, thanks to being SR (System-Ready), TownTune is also future-proof and is ready to be paired with both standalone and advanced control and lighting software applications, such as Interact City.

Product data

General Information	
CE mark	CE mark
Material	Aluminum
Angle	-
Accessory colour	Grey 10714
Product Family Code	AAA000 [Spare Parts Outdoor Lighting]
Mechanical and Housing	
Overall length	460 mm
Overall width	100 mm

Overall height	20 mm
Dimensions (height x width x depth)	20 x 100 x 460 mm (0.8 x 3.9 x 18.1 in)
Approval and Application	
Ingress protection code	-
Mech. impact protection code	IK10 [20 J vandal-resistant]
Product Data	
Full product code	871869949036200
Order product name	ADP260 GRC R10714

TownTune Central Post-Top

EAN/UPC – product	8718699490362
Order code	49036200
Numerator – quantity per pack	1
Numerator – packs per outer box	1
Material no. (12NC)	912300024167

Net weight (piece)	0.400 kg
