

Cellular CT nodes

LLC7290/00 CT OLC N5 LV PC C1VF LG

The Philips cellular node enables plug and play connectivity for any existing and already installed outdoor lighting luminaire with different type of receptacle (such as Zhaga, Nema or 20mm conduit). Once a node is installed, the luminaire is automatically connected to Philips Interact City and automatically located on the map via GPS. Depending on the luminaire configuration (such as Zhaga, Nema or 20mm conduit) it will also work with an outdoor multi sensor.

Product data

Product Data		EAN/UPC - Product/Case	
Order product name	LLC7290/00 CT OLC N5 LV PC C1VF LG	Numerator - Packs per outer box	30
Full product name	LLC7290/00 CT OLC N5 LV PC C1VF LG	EAN/UPC - Case	50046677538786
Order code	913701036213		
Material Nr. (12NC)	913701036213		
Numerator - Quantity Per Pack	1
