

# Dynalite System Integration

## DPMI940-DALI

Within any modern project, many third-party systems can be found performing different roles. Each separate system may use a different protocol for communication. Philips Dynalite has developed a range of gateway devices that can be used to synchronize these systems' functions into one integrated system solution. By utilizing the correct gateway, different systems can be integrated, allowing end-users access to a fully automated site from one interface. By successfully integrating third-party systems with a Dynalite solution, repetitive end-user interaction is reduced.

### Product data

General Information	
Remarks	Please download the Lighting – Product Data Sheet for more information and ordering options
CE mark	CE mark
EU RoHS compliant	Yes
Temperature	
Ambient temperature range	0 to +50 °C
Product Data	
Order product name	DPMI940-D

Full product name	DPMI940-DALI
Full EOC	871016352366800
Order code	52366800
Material no. (12 NC)	913703080609
Local order code	DPMI940-DALI
SAP numerator – quantity per pack	1
EAN/UPC – Product/Case	8710163523668
Numerator – packs per outer box	1
EAN/UPC – Case	8710163523675
