Eco passport

Essential LED 5-50W 2700K MR16 24D Essential LEDspot MR16

Essential LEDspots MR16 are compatible with most existing fixtures with a GU5.3 socket and are designed as a retrofit replacement for halogen spots. Essential LEDspots MR16 deliver significant energy savings and minimise the initial investment.

Our eco passport

Signify leads the way to brighter lives and a better world. As part of the design process, we innovate to reduce our environmental impact by taking climate action and by focusing on circularity and bring wider benefits to the world we operate in via social aspects as food availability, health & wellbeing, and safety & security.

We know this is important to you too. So we have developed an eco passport explaining the environmental and social performance of our products in eight Sustainable Focal Areas, developed through our Sustainable Design process since 1994.

Energy

- **Dimmable:** No
- **Luminous efficacy (rated) (nom.):** 80.00 lm/W
- **Power (Rated) (Nom):** 5 W

Circularity

- **Nominal lifetime (nom.):** 15000 h

Packaging

- **SAP Weight Paper Unit (Case):** 0.160 kg
- **SAP Weight Paper Unit (Piece):** 0.007 kg

Substances

- **EU RoHS compliant:** Yes

Weight & Materials

- **Net Weight (Piece):** 0.045 kg
