

# Indoor Accessories

## OCC-DL SENSOR IA CM IP42 WH

Indoor lighting control accessories cover all the user interfaces, sensors, cables, dimmers and other accessories that can be used with our control systems or stand-alone with our lighting systems. The performance and capabilities of the products vary according to the system they are connected to.

### Product data

| General Information                   |                                 |
|---------------------------------------|---------------------------------|
| Cap-Base                              | G13 [Medium Bi-Pin Fluorescent] |
| Nominal lifetime                      | 50,000 h                        |
| Rated Lifetime (Hours)                | 50,000 h                        |
| Connectivity                          | Interact Ready                  |
| Lighting Technology                   | LED                             |
| EU RoHS compliant                     | Yes                             |
| Light Technical                       |                                 |
| LLMF At End Of Nominal Lifetime (Nom) | 70 %                            |
| Operating and Electrical              |                                 |
| Power Consumption                     | 1 W                             |
| Voltage (Nom)                         | 3.7 V                           |
| Temperature                           |                                 |
| Ambient temperature range             | -5 °C to 45 °C                  |

| Approval and Application        |   |
|---------------------------------|---|
| Energy Saving Product           | Yes                                       |
| Approval Marks                  | RoHS compliance CE marking UL certificate |
| Product Data                    |   |
| Order product name              | OCC-DL SENSOR IA CM IP42 WH               |
| Full product name               | OCC-DL SENSOR IA CM IP42 WH               |
