PMW shielding

SPMW shielding

Project: _____
 Location: _____
 Cat.No: _____
 Type: _____
 Lamps: _____ Qty: _____
 Notes: _____

The Day-Brite / CFI Ariosio surface perf incorporates all the features and benefits of the standard Ariosio into a surface luminaire. Whether surface mounting is due to construction constraints or a desire to create style and intimacy, this luminaire offers the ideal solution for ceiling mounting. Ariosio surface continues the look and performance of the Ariosio family in a slim low profile beautifully contoured model.

2SAVC Arioso surface perf 2x2

TT5

Application

- Architectural surface mounted direct/indirect lighting for glare-free illumination.
- For applications where plenum depth is limited.
- Easy installation – body mounts to ceiling, and frame snaps into place.
- Style matched to Arioso semi-recessed.

Construction/Finish

- No visible welding, screws, latches, springs, hooks, rivets or plastic supports.
- Soft white baked enamel finish.
- Easy ballast access through removable back reflector.
- Slim 2-1/4" housing provides the perception of a very low profile luminaire.

Electrical

- cULus listed for damp locations.
- Self-contained fluorescent emergency power pack can be incorporated.

Enclosure

- Choice of one-piece (PMW) or two-piece (SPMW) lamp shield configuration.
- Micro-perforated mesh lamp shield provides soft awareness of light source.
- Swing down lamp shield for easy relamping.
- Soft white overlay on inside of micro-perforated mesh conceals lamp image and balances reflected and direct light.

Comparative yearly lighting energy cost per 1000 lumens – **\$4.80** based on 3000 hrs. and \$.08 pwr KWH.

The photometric results were obtained in the Day-Brite laboratory which is NVLAP accredited by the National Institute of Standards and Technology.

Some luminaires use fluorescent or high intensity discharge (HID) lamps that contain small amounts of mercury. Such lamps are labeled, "Contain Mercury" and/or the symbol "HG". Lamps that contain mercury must be disposed of in accordance with local requirements. Information regarding lamp recycling and disposal can be found at www.lamprecycle.org
