

Comfortable LED light that's easy on your eyes

Light up your space with Philips EyeComfort LED Downlight that provides a comfortable light source and ease to your eyes.

Easy to experience

• Ideal for rooms with low ceilings, makes for an unobtrusive and subtle fixture.

Durability

· Long life span up to 15,000 hours

High quality LED light that lasts for decades

· Reduced glare. Increased comfort.

Highlights

Suitable for low ceilings Slim design Long life span up to 15,000 hours

Philips LED technology extends your product's lifetime up to 15,000 hours.

EyeComfort with Interlaced optics

Interlaced optics technology enhances the overall lighting experience in your every-day life. Imprinted with 3D patterns to help diffuse light, the micro-lens technology produce an even distribution of light which reduces glare significantly. This illumination is not only a soft and uniform light which brings more comfort to your eyes, but it also cleverly redistributes light for less glaring illumination in the lit area.
