- Automate your light with schedules

Light modes

- Millions of colors and dynamic light modes
- Customize Scenes with preset dynamic light modes

Form factor

- Multi-application and simple installation
- Shape lights your way

Highlights

Easy plug and play

WiZ works with your existing Wi-Fi router, no additional gateway is needed. Simply plug in your new light, download the WiZ app and you're ready to go!

Control from anywhere

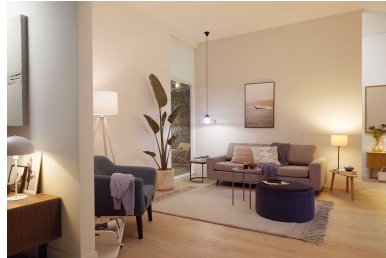

Control your WiZ lights wherever you are with smartphone. No need to worry if you've left your lights on before leaving home. WiZ app is available for iOS and Android.

Go hands-free with voice control

Control your lights with just the sound of your voice, simply enable integration with Google, Alexa or add to your Siri shortcuts.

Automate your light with schedules

Automate the lights to fit your daily or weekly routines. Schedule your light to turn on before you arrive home and keep it off when not needed.

Millions of colors and dynamic light modes

Choose from a palette of millions of light colors to create an amazing atmosphere in your home. Enjoy the subtle differences that our dynamic light effects glow your environment.

Customized Scenes

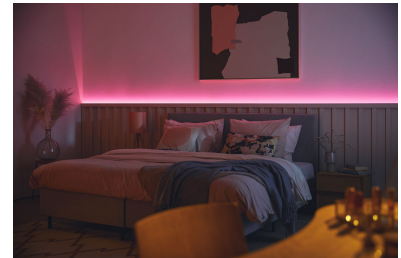

Mix different color and white lights modes to create the perfect light ambience for your daily moment. Save it and call it out anytime with app, remote or voice.

Multi-application and simple installation

Simply stick to any surface you like – window displays, tray ceilings, work stations and under cabinets. Brightening up and adding Adding accent to your furniture.

Shape lights your way

There's a lot you can do a lot with this 4-meter-long strip of light. Decorate your home by cutting it to suit your space, and tape it on any surface. It even goes around corners.
