- 5-year warranty on LED system

Premium quality

- Long-lasting, high-quality materials

Special characteristics

- Bright light with uniform distribution

High-quality light

- EyeComfort – light that's easy on your eyes

Highlights

Adjustable spot head

Direct the light where you want it most by simply adjusting, rotating or tilting the spot head of the lamp.

Up to 80% energy saving

LED lights save up to 80% energy compared to traditional lighting with the same light output. When you buy a Philips LED light, you start saving money straight away. For each light source that you replace with an LED light, you will see immediate returns with a lower energy bill.

Long lifetime up to 25,000 hours

Reliable high-quality LED light lasts up to 25,000 hours. You can rest easy knowing that you won't have to worry about maintenance for years, while having the perfect light ambience in your home.

5-year warranty on LED system

In addition to the standard 2-year warranty offered for this luminaire, Philips also offers a 5-year warranty on the LED system (the LED module and driver).

Long-lasting, high-quality materials

This spot light is made of long-lasting, high-quality materials with superior finishing. This ensures a solid and durable product that will enhance and light up your home for many years to come.

Bright light with uniform distribution

To really light up your rooms, choose this uniform-distribution light which throws light evenly across the space.

EyeComfort – light that's easy on your eyes

Poor-quality light can cause eye strain. With many people spending time indoors, it's more important than ever to properly light your home. Our products meet stringent test criteria including flicker, strobe, glare, colour rendition and dimming effects to ensure that they meet EyeComfort requirements. This Philips LED luminaire not only delivers comfortable light, but also stays that way for the duration of its lifespan, delivering consistent light quality, output and colour for more than a decade.

Specifications

Bulb characteristics

- Intended use: Indoor
