This Standard Warranty (in some cases also referred to as “Warranty Policy”) specifies the standard terms and conditions on warranty for the sale by Signify of the lighting outdoor control components listed below in Table 1 (for the purpose of this Standard Warranty all referred to as “Products”). Only the Customer/Purchaser who has purchased Products directly from Signify can derive any rights from this Standard Warranty. “Signify” means the legal entity selling the Products directly to Customer.

This Standard Warranty must be read together with Terms and Conditions for Sale of Products and Services of Signify currently in force, or such other terms as agreed to in a legally enforceable agreement executed between Signify and Customer, including separate supply, distribution or sales contracts (“Terms and Conditions”). Unless otherwise specified herein, any term or expression defined or used in Terms and Conditions and relating to this Standard Warranty shall have (in the interpretation of Terms and Conditions) the same meanings as used herein. In all other respects, Terms and Conditions remain unchanged and are in full force and effect. In the event of conflict between this Standard Warranty and Terms and Conditions in relation to the Products, this Standard Warranty will prevail.

1. Subject to the Terms and Conditions and this Standard Warranty (including exclusions, limitations and conditions stated therein), Signify warrants to the Customer, that Products will be free from Defects for the limited warranty period(s) specified in Table 1 – Description of Product and Standard Warranty Period. For this Standard Warranty, a “Defect” (or “Defective Product”) means that a Product has a defect in material or workmanship which causes the Product to fail to operate in accordance with the specifications provided by Signify, with consideration given to the overall performance of the Product.
