

Philips EasySense SNS210 MC Step-by-Step Instruction

How to create project and setup
control group

Version 1.0

Before you begin:

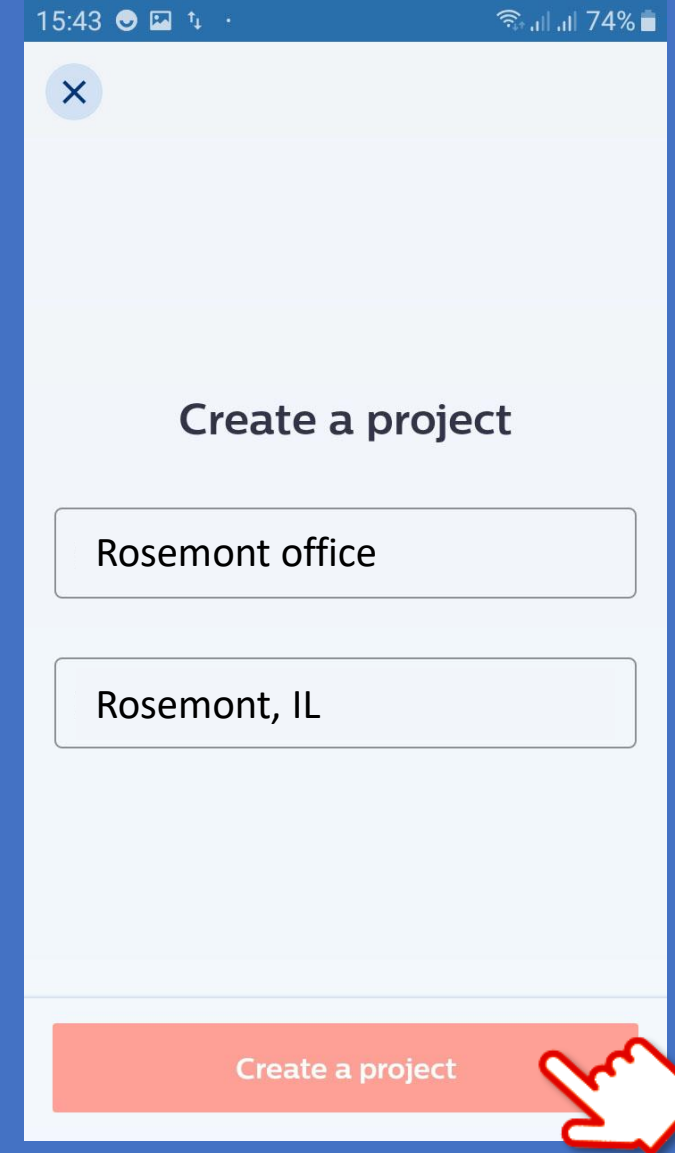

1. Philips field app MasterConnect is downloaded to the smartphone
2. LED fixtures with SNS210 MC that you intend to configure are powered up
3. The red LED indicator of SNS210 MC should be lit to indicate that it is functional
4. Compatible wireless light switch is available
5. A flashlight for commissioning (optional)

Create Projects and Setup Control Group
