## MasterConnect Mobile Device Requirements

### Minimum requirements:

- Android 6 or newer
- iOS 11 or newer

### Recommended requirements:

- Android 10 or newer
- iOS 13 or newer
- Bluetooth 5 or newer

System performance can vary based on choice of mobile device, android/iOS and Bluetooth versions.

While Signify expects good performance with most combinations, performance is not guaranteed in all combinations. It is therefore recommended that the MasterConnect app is tested on a chosen mobile device and the wireless lighting system.
