Signify's Sales Terms, these Terms, the Specific Terms, the LCS Terms and the LCS Descriptions apply separately to each product, service, Lifecycle Service or Software Service respectively, and not to a System as a whole. The following paragraph is added to **Section 22**.

(1) To the extent Customer is procuring the Subscription and/or the Software Services not directly from Signify but rather from a third party such as, without limitation, a Signify authorized distributor, a reseller or distributor, a general contractor or an energy savings company (ESCO) (the "Third Party") or the Subscription and/or Software Services are otherwise being accessed by or on Customer's behalf in connection with Customer's or its representative's or supplier's purchase of certain hardware and luminaires from such Third Party, the following understandings apply:

The Third Party has been given by Signify or its customers the limited right to resell and distribute luminaires and hardware together with the Subscription, and to assign the Subscription to Customer subject to the Service Documents, but such Third Party: (a) is an independent, non-Signify affiliated entity over whom Signify exercises no authority or control, (b) is not Signify's agent or representative, and (c) has no authority to make any representations, warranties, or promises on behalf of or otherwise bind Signify in law or contract; except that the Third Party is authorized to: (x) assign Signify's standard luminaire and hardware warranties directly to Customer (the "Signify Product Warranty"); and (y) assign the Subscription to Customer subject to acceptance by Customer of the Service Documents, copies of all of which Customer acknowledges receiving.

The Signify Product Warranty is made in lieu of all other warranties, whether express or implied, including warranties of merchantability or fitness for a particular purpose, all of which are hereby disclaimed. Signify agrees to provide access to and use of the Software Service exclusively in accordance with the Service Documents, and Customer's and/or any Authorized Users' use of the Subscription and/or the Software Services shall be deemed and construed as acceptance and acknowledgment by Customer of the Service Documents.

Signify's obligations and responsibilities to Customer, and Customer's rights and remedies against Signify, are expressly limited to those specifically identified under the Service Documents, and are not supplemented, varied, or modified by any agreement or other understandings between Customer and any Third Party. All terms and conditions respecting the purchase, sale, performance or use of any Signify hardware or luminaires shall be solely as agreed upon between the Third Party and Customer or Customer's representative or supplier.

Signify shall have no liability or responsibility with respect to any: (i) written agreement as may exist between the Third Party and Customer or Customer's representative or supplier, (ii) any rights or remedies that Customer may have as a buyer of goods or services against the Third Party as the seller pursuant to the applicable provisions of the Sale of Goods Act as adopted by the province in which such goods are installed or such services are provided or performed, and (iii) any other obligation other than those expressly set forth in the Service Documents.

Les services supplémentaires d'installation, de mise en service, de maintenance, d'assistance ou autres fournis par Signify (sur site ou à distance), ou la fourniture de certains produits, tous nécessaires dans le cadre des Services logiciels, seront soumis aux Conditions générales de vente de Signify, à l'exception des Services de cycle de vie, qui seront soumis et régis par : (a) les Conditions générales de fourniture des Services de cycle de vie de Signify, accessibles à l'adresse: <https://www.signify.com/en-ca/support/lifecycle-services> (« Conditions LCS »); et (b) la Description des services de cycle de vie applicable aux Services de cycle de vie respectifs, accessible à l'adresse: <https://www.signify.com/en-ca/support/lifecycle-services> (« Descriptions LCS »). Les Conditions générales de vente de Signify, les présentes Conditions, les Conditions spécifiques, les Conditions LCS et les Descriptions LCS s'appliquent séparément à chaque produit, service, Service de cycle de vie ou Service logiciel, et non à un Système dans son ensemble. Signify ne s'engage à aucune obligation et n'accorde aucun droit concernant les Systèmes dans leur ensemble.

La Garantie produit Signify remplace toutes les autres garanties, expresses ou implicites, y compris les garanties de qualité marchande ou d'adéquation à un usage particulier, qui sont toutes exclues par les présentes.

Signify accepte de fournir l'accès et l'utilisation du Service logiciel exclusivement en conformité avec les Documents de service. En outre, l'utilisation par le Client et/ou tout Utilisateur autorisé de l'Abonnement et/ou des Services logiciels sera réputée constituer l'acceptation et la reconnaissance par le Client des Documents de service.

Les obligations et responsabilités de Signify envers le Client, ainsi que les droits et recours du Client à l'encontre de Signify, sont expressément limités à ceux spécifiquement identifiés dans les Documents de service et ne sont pas complétés, modifiés ou remplacés par un accord ou une autre entente entre le Client et un Tiers.
