FAQ

1. What is being announced?

Signify is announcing the End of Sale (EoS) for selected Telecell2 products and Base Station 3 peripherals. After the applicable EoS date, these products will no longer be available for purchase.

2. Which products are affected?

The affected products are T2E1N-G-3, T2E1N-B-3, T2E1C-B-3, B4-Toolkit-S, and the Base Station 3 peripherals (TBSA-A, TBSA-E, TB-BATT, B3-GPS, B3-PSU, and B3-LM).

3. What are the End of Sale dates?

- T2E1N-G-3, T2E1C-B-3, B4-Toolkit-S, and Base Station 3 peripherals: 30 July 2026
- T2E1N-B-3: 30 June 2027

4. Can existing installations continue to operate after the EoS date?

Yes. Existing installations can continue to operate normally after the End of Sale date.

5. What are the recommended alternatives for Telecell ETSI NEMA products?

T3E7N-GG (Tilt + D4i) and T3E7N-GB (Power Failure + D4i) are the recommended alternatives and are available for ordering.

6. Are alternatives available for T2E1C-B-3, B4-Toolkit-S, or Base Station 3 peripherals?

No direct Signify alternatives are available. Please contact your Signify representative for guidance.

7. What is the Last Day of Support (LDOS)?

No Last Day of Support has been announced for the affected products. Support remains available in accordance with the Signify End-of-Life Policy and applicable support agreements.

8. Can customers still place orders before the EoS date?

Yes. Orders can be placed until the applicable End of Sale date, subject to product availability.

9. Do customers need to replace existing products immediately?

No. This announcement does not require immediate replacement of installed products.

10. Who should customers contact for questions?

Please contact your local Signify representative for product, ordering, migration, or support-related questions.
