

Goodbye, glare

Enjoy high-performing, energy-saving LED technology without worrying about the harsh glare or pixelization that can occur with LED luminaires.

Outdoor LED luminaires can create unwanted harsh glare that presents a bad impression on pedestrians, making it a challenge to save energy and keep a welcoming outdoor environment. Our portfolio of luminaires with comfort optics provide reduced glare for an enhanced user experience. Now you can save energy and provide comfortable lighting solutions with Signify outdoor luminaires featuring comfort optics.

Enjoy comfort in any style

Parking lot Pathway City street

Proven technology, proven designs

Your search for visually comfortable outdoor lighting solutions stops here. With ten luminaire styles, multiple lumen packages, and several distribution options, we've got you covered. These luminaire styles are already recognized as industry leaders. By adding our low glare comfort optics, you now have the tools you need to achieve any lighting goal.
