

Making business easy

Signify customer
and partner portal

Signify Portal capabilities

The Signify Portal is a cloud-based, responsive portal that is accessible by laptop, tablet, smartphone or third party software. The Signify Portal has realtime connections with the Signify IT systems which allow you to do business with Signify on your own schedule.

The Signify Portal can be used by Signify customers, agents and business partners, offering each user a profile that is customized for their role. The Signify Portal is conveniently organized so the information and transactions you need are at your fingertips.

www.portal.signify.com
