

Smart Plug Gen 2

The WiZ smart plug can make any socket smart. Just plug in your ordinary light or appliance and you'll be able to control them with your smartphone or your voice. With schedules, you can turn devices on and off to fit your daily routine and save energy. You'll never need to worry about whether you've left your lights or appliances on at home anymore, because you can check on them with your smartphone.

PRODUCT HIGHLIGHTS

- Compact design
- Compatible with Alexa, Google Home, Apple Home Kit
- Control with app or voice

Instant setup for all your smart home functionalities

Start using all your smart home features easily, by connecting your new WiZ device to your Wi-Fi network. Control your lights and devices even while you're away from home and set schedules to turn them on and off automatically. No need to install additional hardware such as hub or gateway!

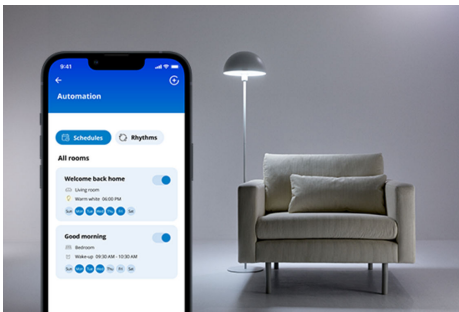

Control with any Matter smart home platform

This product is Matter certified, allowing easy control through Google Home, Amazon Alexa, Apple Home, or any other Matter-based smart home platform of your choice.

Make everyday devices smart: lamps, fans and more

Control regular lamps, decorative lights, fans, your coffee machine and more. Use WiZ to control devices that only need their power to be on, to link and react to the app.

Easy scheduling and automation of smart lights and devices

Schedule your home lights or appliances to turn on or off automatically and follow your daily or weekly routines. Automate your lights and devices to stay off when they're not necessary, to stay safe and save energy.

Activate devices with motion without using a sensor

WiZ's SpaceSense technology transforms your devices into motion sensors. Activate the SpaceSense feature in the WiZ app and have lights and devices turn on and off automatically, with motion detection. A minimum of two WiZ devices in a room is needed for the SpaceSense feature to work.

Control devices from anywhere with your smartphone

No need to worry if an electrical device was left on while no one's home. Simply turn it off or control other devices from wherever you are, using your smartphone.

SPECIFICATIONS

DESIGN AND FINISHING

Color: White
Material: Plastic

EXTRA FEATURE/ACCESSORY INCL.
