

Removability Introduction

Disposal at End of Life

Light source reference control setting

Composition Explanation – Wiz Sync Box

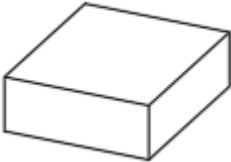

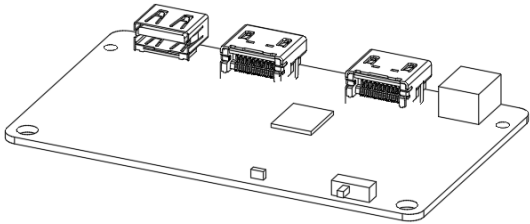

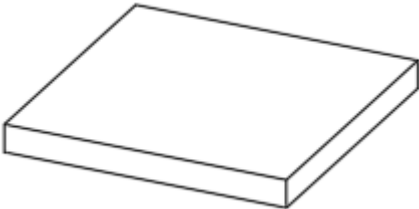

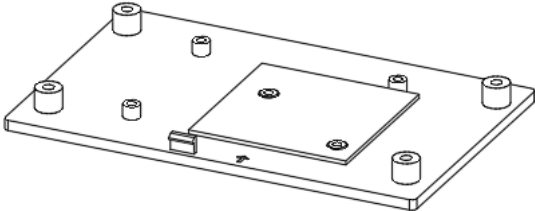

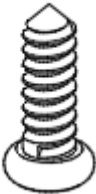

A. Composition Explanation 	
Adapter 驱动 	Housing and heatsink 上壳 
Switch 开关键 	Conductive silicone 硅胶片 

Removability Introduction

Disposal at End of Life

Light source reference control setting

Composition Explanation – Wiz Sync Box

Thermal conductive silicone 1 导热硅胶 1 	PCBA 
Thermal conductive silicone 2 导热硅胶 2 	Bottom cover and heatsink 底壳+散热片 
Screws 螺丝 	Anti-slip pad 防滑垫 

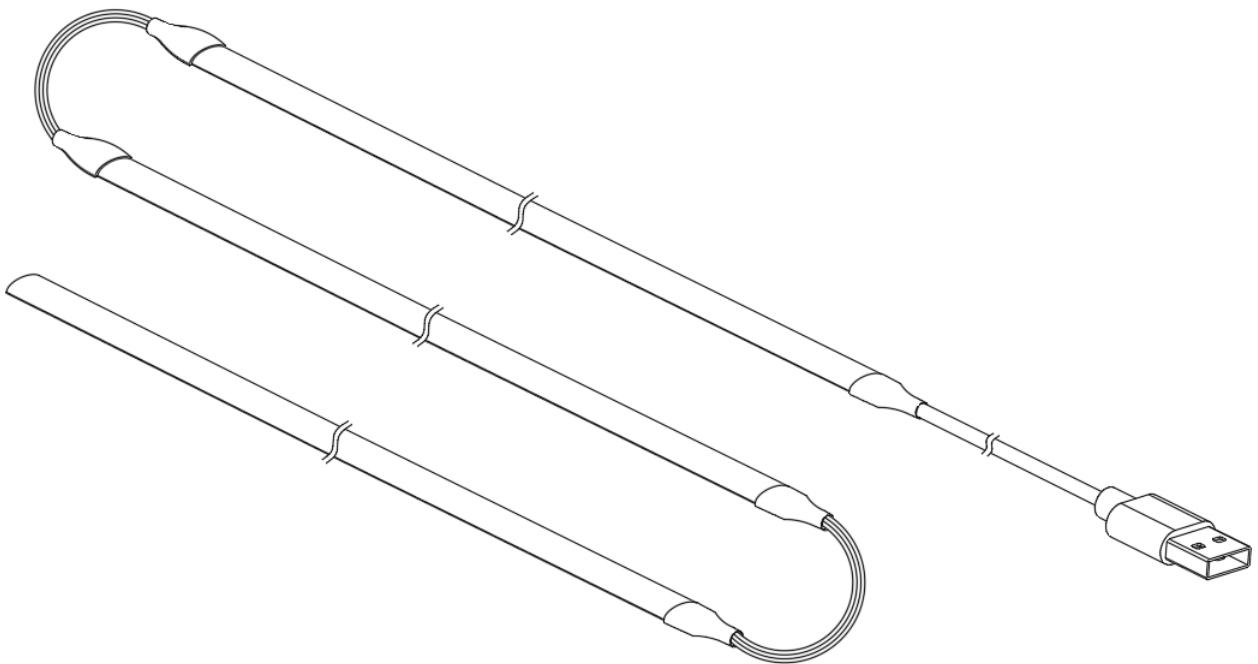

Removability Introduction

Disposal at End of Life

Light source reference control setting

Composition Explanation – Wiz Sync Box

LED Strip

- LED PCBA
- Epoxy glue
- 3M tape

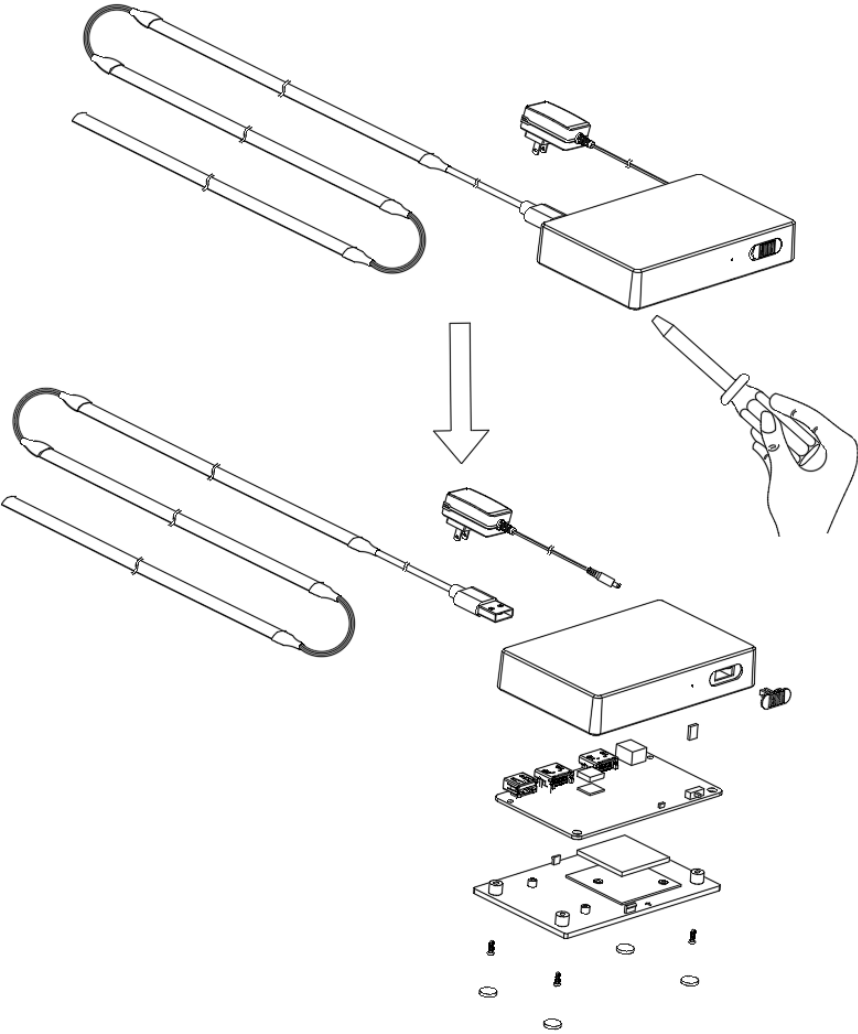

Removability Introduction

Disposal at End of Life

Light source reference control setting

Composition Explanation – Wiz Sync Box

B. Steps to remove components

Type: without permanent damage
Recommendation on disposal
Plastic part: reuse and recycling
Electrical part: disposal
Metal part: recycling
