Highlights

Dimming creates atmosphere

Multiple lights in a room let the room appear more vivid as this emphasises different corners and sides. By dimming these lights, you can create atmospheres from cosy to vibrant.

Bright, sparkling light

Clear halogen is a sparkling light, giving beautiful reflections where it shines, and sharp shadows where it doesn't. Philips halogen lamps give decorative light effect to your room, to bring your room to life.

Immediate light when switch

Just by turning the switch your room is at full brightness. No slow starting, No waiting but immediately light.
