One fixture. Your switch. Three light settings.

Sometimes you feel like a change in ambiance to suit whatever you're doing. With this Philips SceneSwitch LED panel, you can easily change the light setting with your existing switch. No dimmer or additional installation required.

Match your interior
• Super slim design

Light effect
• Uniform light distribution

Premium quality
• EyeComfort – light that's easy on the eyes
• Easy to clean

Highlights

Super slim design
Slim design is ideal for low-ceiling rooms, sitting flush against the surface.

Uniform light distribution
Throw light across your rooms in an even and uniform manner.

EyeComfort
Poor quality light can cause eye strain. With many of us spending time indoors, it's more important than ever to properly light your home. Our products meet stringent test criteria including flicker, strobe, glare, colour rendition and dimming effects to ensure they
meet EyeComfort requirements. Philips LED bulbs not only deliver comfortable light, but also stay that way for the duration of their lifespan, delivering consistent light quality, output and colour for more than a decade. Switch to light that's easy on your eyes. Your eyes will thank you.

Easy to clean
Smooth and easy-to-clean materials mean your home always looks attractive from floor to ceiling.
