# Highlights

## Designed for the comfort of your eyes

It's easy to see how harsh lighting can strain the eyes. Too bright, and you get glare. Too soft and you experience flicker. Now you can gently light up your world with LEDs designed to go

easy on the eyes, and create the perfect ambience for your home.

## Light that shows true colours

See the true colours of your clothes when you select an outfit from your wardrobe – you can pair a red dress and red shoes with confidence and be sure the colours match perfectly.

## Glass Clear Design

The look you love, the performance you expect. Classic clear glass designs that replicate the beautiful sparkling light of traditional bulbs, for a perfect fit throughout your home.

## Vintage bulb design

## High-performance slim filament
